Insta-TEST® Total Chlorine, pH, Total Hardness & Iron Test Strip Kit

NEW

Insta-TEST Total Chlorine, pH, Total Hardness & Iron Test Kit

Order Code 2992

The new **Insta-Test Total Chlorine/pH/Hardness and Iron test kit** combines the best of both worlds. The kit includes 25 quick, easy and accurate tests using a simple dip-and-read formulation. The strips are packaged in a unique hinged, waterproof PopTop bottle with a desiccant liner that protects the test strips from moisture.

Applications: Drinking water, process and industrial water, fountains and water features

Test Factor	Range	Strips per Vial
Chlorine, Total	0-10 ppm [0, 0.5, 1, 3, 5, 10]	25
pH, Wide Range	4-10 pH units [4, 5, 6, 7, 8, 9, 10]	
Hardness, Total	0-450 ppm [0, 50, 100, 200, 450] gpg [0, 3, 5.8, 11.7, 26]	
Iron *	0-5 ppm [0, 0.3, 0.5, 1, 3, 5]	25

NOTE: This kit replaces the pH/Hardness/Iron test kit [Order Code 2980].

* New Iron test is dip-and-read in 60 seconds.
